### **DETAILED ACTION**

1. Receipt is acknowledged of the Amendment received on 1 December 2005.

#### ***Allowable Subject Matter***

2. Claims 1, 3, 4, 5, 7, 9, and 11-15 are allowed.
3. The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach or fairly suggest to one of ordinary skill in the art, in conjunction with all the limitations of the subject claim(s) and any claim(s) upon which the subject claims depend: a remote processor which can communicate with the local processor, and wherein the user must be approved before the deposit taking system opens a respective one of the processor controlled deposit openings, and wherein the local processor requests approval for the user from the remote processor and the remote processor responds to the local processor with a communication of an approval or rejection of the user and wherein the remote processor evaluates the status information and responds to the local processor with a communication to cease accepting further deposits, and wherein the remote processor also communicates a request to a service provider to provide service to the deposit taking system and wherein the means for opening a respective one of the processor controller deposit openings of one of the processor controlled deposit openings in the event the user is identified as a customer of one financial institution and another of the processor controlled deposit openings in the event the user is identified as the user is a customer of another financial institution (as per claim 1), and that opening of one of the processor controlled deposit openings opens one of the processor controlled deposit openings in the event

that the user is identified as a customer of one financial institution and another of the processor controlled deposit openings in the event the user is identified as the user is a customer of another financial institution (as per claim 13).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

#### ***Additional Remarks***

4. The Examiner notes that the prior art to Hughes (US 2004/0210515) teaches controlling access to safes based on the financial institution of the depositor, but does not qualify as prior art due to the foreign priority date of the current application.
